Academic Year 2020/21

Issue No: 03

Date 2nd October 2020

Hello from Mrs Hunter

Yesterday afternoon I was in a meeting with Mr Farr reviewing our fire practice plans. This involved the pre-arranged sounding of the bell on Friday morning so that the new Foundation children could be warned it was going to go off and learn what it was for while the teachers in other year groups could use it as a reminder to talk with their class about what their evacuation route from their new classroom would be. A full practice evacuating the building would then happen next week. However, by accident, the alarm was triggered at that very moment! It is always a 'heart in your mouth' moment as the Headteacher when the alarm goes off and you now that it is not a planned practice. However, once the initial relief was passed that it was a false alarm and the fire brigade called to say that they were not needed I took my position on the playground to supervise the evacuation. Oh My Word. I wish it had been filmed so that I could have shared it with you so you could have seen just how incredible your 642 children were. They filed out in total silence, lined up in bubbles (which we were going to practice next week) and they stayed focused and alert. All adults and children were out swiftly and were accounted for. As for Foundation Stage – the rest of the school gave them a round of applause as they did so well. I was a very, very proud Headteacher as I stood in front of everyone. And on another positive, as Miss Spragg pointed out to me, how lovely it was to see the whole school together for the first time in such a long time. So, fire practice ticked off! Knocked it out of the park!

Stay safe in the stormy weather and see you next week.

Mrs Hunter 😊

Free School Meal

If you receive certain benefits, you may be entitled to claim free school meals. Plymouth City Council is able to check your eligibility online, therefore minimising the need to provide proof of your entitlement.

It is of great benefit for our school if you are entitled to free school meals as we could receive extra school funding for all children who qualify.

Even if your child is aged 4 to 7, and would qualify for Universal Free School Meals, we would encourage you to register for free-school-meals, if you think that you may be entitled under any of the benefits.

Book of the week

BOOK OF THE WEEK

The 1st October is National Poetry Day. What better way to celebrate than with a poem for every day of the year inside this beautiful book! Celebrate the animal kingdom through a diverse range of poetry, from Lewis Carroll to Grace Nichols. Illustrated by Britta Teckentrup (one of my new favourite author/illustrators). Her breath-taking illustrations bring together all the richness and wonder of the animal kingdom.

If you have shared a book with your child and would like to recommend it, please email me. daniellejones@mpsplymouth.net

Marine Academy Plymouth

HOME TO THE HARDEST WORKING STUDENTS IN THE UK

Is your child starting secondary school in September 2021 or 2022?

We'd like to invite you to one of the Marine Academy Open mornings!

There is no doubt we are one of the most improved schools in the country with very high expectations both of terms of student behaviour and academic success. **We unreservedly believe that every child should have the opportunity to attend University when they leave us** and our academic curriculum is designed to ensure that this is the pathway that our students will follow.

We accept no excuses for poor behaviour and instil a belief in our children that they can match the success of students attending schools such as Eton, Harrow and Wycombe Abbey.

Our very own bespoke leadership initiative offers all students the opportunity to develop key attributes relating to the MAP core values.

Leadership - Resilience - Aspiration

Students will be required to complete a number of tasks to achieve the Bronze, Silver, Gold, and MAP Award, which will enrich students' cultural capital and provide all students with the personal attributes needed to succeed on the path to University and into adult life.

We also offer a vast array of clubs and activities for students to become involved with outside ranging from sports clubs to café Scientifique, from Spanish club to Uno! As well as this all year 7 students are given access to free music 1-2-1 music tuition!

Come and see one of the most improved schools in the country!

Open Events 2020

Come and see the best school in Plymouth in action!

Open mornings:

18th, 24th, 25th September & every Friday in October!

Our open mornings will run from 8.45am - 10.05am where there will be a welcome presentation followed by a chance to see our school in action! All mornings will include a tour of the school for you to see our calm and safe environment, meet current staff and students and experience our world renowned teaching strategies! Open mornings will be appointment only so if you'd like the opportunity to find out what makes us different, please book by contacting reception and reserving a space on your preferred day!

To arrange a visit, please contact us on 01752 213939 or email contact@marineacademy.org.uk
For further information about the academy, please visit our website:
