If you click on Me>My Stats, a heatmap like the one below will load. It shows how successful your child is at each of the facts.

#### Stats

The colours relate to how quickly you can answer each of the facts from 1x1 to 12x12. The greener the colour the quicker they are and the redder the colour the slower they are.

## Game Modes

### Single Player

**Garage** - the questions will only come from the times tables the teacher has set for the week. As pupils start to answer questions, TT Rock Stars works out which facts they take longer on and will give them more of these questions to answer. The Garage is best for getting quicker at a few facts. Players get 10 coins per question. This is the game we would encourage children to play.

**Studio** - the questions in the Studio can be anything from 2x2 up to 12x12. TT Rock Stars calculates each the mean speed from their last 10 games in the Studio and translates into a Rock Status:

Under 1 second per question to become a Rock God

Under 2 seconds per question to become a Rock Legend

Under 3 seconds per question to become a Rock Star

Over 3 seconds is a Busker

They earn 1 coin per question and the Studio is the place for them to set their best time across all the tables.

### Multiplayer

**Rock Arena** - The Arena allows players to compete against all other members of their Band (their Bandmates would need to join the same game in order to compete together).

A new Arena game starts every 15 seconds and once the clock starts they race to answer more questions than the others. In the Arena, questions will only come from the times tables the teacher has set for the week, similar to the Garage. They earn 1 coin per correct answer.

**Rock Festival** - The Rock Festival games are open to players from around the world. Like the Arena, there is no limit to the number of players who can join a game; however, unlike the Arena, questions are selected at random from 2x2 to 12x12.

Pupils might choose the Rock Festival if they were playing at home (and therefore couldn't easily synchronise playing against a classmate) or wanted to compete against others not in their Band. They earn 1 coin per correct answer.
