

Date: 25<sup>th</sup> March 2024

Dear Parents/Carers

### **Change of Catering at Montpelier Primary School**

I am pleased to inform you that from Monday 1st April 2024 Greenshaw Learning Trust Catering Services will be taking over the catering at Montpelier from Catered.

We will be transforming the quality of food services with the help of the expertise and support from our catering staff in order to put pupil health and wellbeing at the heart of our school.

The existing contract with our current supplier Catered will expire on 31st March 2024; this will then give us the opportunity to further develop the catering experience for the students and parents/carers.

We thank Catered for their support of our academy.

We are committed to developing a food experience that reflects current and future culinary trends, dietary needs and eating patterns whilst empowering students to make informed choices.

What students, parents and carers can expect;

- New and regular menu development
- Green kitchen standard (sustainably manage their energy, water and waste)
- Theme days (informed by Student action nutrition group)
- Food for life compliant menus
- High-impact food presentation
- Value for money

Please find enclosed, the new menu. The cost for school meals has been reviewed and reduced from £2.80 down to £2.60 per day.

Should you have any questions please contact [admin@mpsplymouth.net](mailto:admin@mpsplymouth.net)

Yours sincerely

Mrs Hayes
